CAMPUS PRINCIPAL'S CORNER

To my new family: As we begin this long journey together, I hope to God that it will be a journey filled with joy, friendship, commitment to work and respect for each other. Year 2020 was a challenging year for all of us as educators and for our students due to Covid 19 pandemic. It is clear that the pandemic continues to stay with us even in the current year (2021), hence we have to adapt to the new normal of doing things.

Your commitment to work in the past year is evident in many aspects. I have no doubt that in the current year you will continue doing what you are good at. Let us all hold hands together and move forward. “United we stand, divided we fall” (Robert Grosseteste).

I Thank You.

Mrs Cele served as the 4th principal since its inception, however she was the first campus principal to go through all the professional milestones within the same campus i.e. from Lecturer- Hod - Deputy Principal - Principal.

In her reply speech Mrs Cele thanked the campus staff for their hard work and support they gave her over the years and encouraged them to do the same even for the new principal.

Oh well- what can we say - Shelly Beach brings out the best in each and every one of us.

All we can say is:

Well done ladies.

IYHOO!! I PARTY ENGAKA

After 38 years as a professional nurse, Miss E. B. Mhlauli finally put down her epaulettes on the 31st of August 2020, to go on retirement. Miss Mhlauli worked as an Hod for Community Nursing Science.

As a seasoned academic she was also passionate about research and ensured that students did their best with their mini research projects.

Miss Mhlauli was a prayer warrior who also introduced students and staff to the Health care Christian fellowship and never lost a chance to pray with and for the students.

On the 10th of January 2021, the campus heard about the untimely passing of Miss Mhlauli.

MAY HER SOUL REST IN ETERNAL PEACE

FAREWELL HLONI

Miss H.F. Ngcobo receiving a farewell gift from Miss N.C. Boloko. Miss Ngcobo was the brilliant acting Hod for FNS and A&P. She left Port Shepstone Campus in October 2020 for a post as Examination Officer at KwaZulu-Natal College of Nursing.

I wonder what is inside there... can it be books - or may be ..
