

## EAST COAST RADIO TOY STORY

Fighting disease, fighting poverty, giving hope is the Department of Health's slogan, which is why Manguzi Hospital together with East Coast Radio forms partnership in giving hope to children admitted at Manguzi Pediatric ward. This memorable event took place on the 09<sup>th</sup> of December 2015. East coast radio is known for donating toys to children during festive season, Manguzi hospital was one of the lucky institutions to be awarded an opportunity of this nature.

"We would like to thank East Coast Radio for choosing our institution we have no doubt that our children will be happy and they will leave this Hospital with joy in their heart" said Mrs G G. Masinga (Acting CEO)

## QUALITY IMPROVEMENT PLAN IMPLEMENTATION.....

As part of improving service delivery Manguzi Hospital conduct surveys quarterly in-order to consult with its clients and make sure that the service rendered is up to our client's expectations. One of the issue always came out was the issue of cold food in the wards. Manguzi Hospital management took upon them to buy food warmers.

"We would like to thank Manguzi Hospital management for always willing to improve the services they offer, although they are not enough yet, but we are pleased that at least we have received 3 food warmers which will service male, female and MDR ward". Says kitchen Manager (Ms. M.N. Sibiya).

## BOARD MEMBER'S YEAR END FUNCTION

Board members are community members who voluntarily agree to serve the community with commitment, dedication and passion. These honorable members were appointed by the minister in 2012. Fortunately for Manguzi Hospital, they were willing to serve for another 3 which is why the CEO of Manguzi Hospital (Dr.S.B.Vumase) and management decided to host a Christmas party for them a sign of appreciation for the good work they are doing in trying to improve the quality of serves the Hospital is rendering to the community. The event took place at Lalaneck beach on the 11th December 2015.
