NEWS

STAY INFORMED

APRIL-JUNE 2022

“Would like to take this opportunity to welcome all of you in the first edition of 2022/23 newsletter , it has been long since we had a publication due to covid -19 pandemic.

Further more, I would like to thank all Manguzi staff members for their commitments and endurance shown by all members during the peak of covid-19 pandemic.

Colleagues, I must say it was tough for all of us however as health care workers we had to ensure that our community is taken care of.

I would also like to encourage staff members to continue to spread the word and encourage community to increase uptake of covid –19 vaccination as this is the only way for now in which we can do to contain covid-19. Thank you”

NURSES DAY OF PRAYER

“The total health of my patients will be my first consideration “, on 25 May 2022 Manguzi hospital nurses gathered in prayer to commemorate the nurses day of prayer under the leadership of matron Z .V .Tembe (Deputy Manager: Nursing). A prayer for those who have lost their lives due to COVID –19 was also held “asphelelanga” said matron Z V Tembe in her introduction. Nurses are the heart of the department of health, on the day they were honored for their perseverance and endurance during the beginning of covid-19 in March 2020 and they were also encouraged to continue caring for one another as they did during covid 19 peak era.

UKUSEBENZISWA KWE-MITHOLAMPILO

Imitholampilo idlala indima enkulu ekuqinisekiseni ukuthi umphakathi wakithi uhlala uphilile nokuthi uthole usizo lwezempilo ngaphandle kokukhokha kakhulu. Eminyakeni edlule umnyango ubungakwazi ukufeza lesisidingo ngenxa yezingqinamba eziba khona uma ugesi ungekho. Kungalesi sizathu umnyango wezempilo usuqalile ukufaka ama generator kwi mitholampilo ukuqinisekisa ukuthi kufezeke injongo yomnyango yokuthi abantu basebenzise imitholampilo eseduze nabo ngokuphelele. Banga dluliselwa esibhedlela uma kunesidingo. Umphakathi uyagqugquzelwa ukuthi usebenzise kuqala imitholampilo kanye nomahamba nendlwana ukuthola usizo lwempilo.

INTERNATIONAL HAND WASH

This year's theme for World Hand Hygiene day, on the 05th of May 2022 was focusing on facility's "Quality and Safety Climate that values hand Hygiene and Infection Prevention & Control".

Slogan: Unite for Safety: Clean your Hands

Executive team: Committed themselves to promote and monitor hand hygiene in the facility

PHC facilities: Committed themselves to promote and monitor hand hygiene practices in the clinics

Healthcare workers: Committed themselves to always practice hand hygiene at due times

Commemoration

All the service areas in the hospital (clinical and non-clinical) were visited. UNITE FOR SAFETY was "thee" word for the day. Songs specially created for the day for hand hygiene were sung and the whole team committed to
