To some people saying “Thank you” is very difficult, but to some it’s very essential. This happened on Saturday, the 10<sup>th</sup> of January 2015, when Mr. C. Nkwanyana who was admitted on the 04 of September 2014 at Manguzi Hospital (Male Ward) had Thanks giving party. Amongst others, he acknowledged the care and love he received while he was at the Hospital.

MR. C. Nkwanyana was involved in a motor bicycle accident and sustained some injuries and a fracture. He couldn’t move, eat or bath himself. “I would like to thank Dr M D Blaylock (who was the first Doctor to attend me), and all the hospital staff especially the Male ward staff where I was admitted. The hospital staff provided a huge high quality care, said Mr Nkwanyana.

Speaking on behalf of the Hospi-

tal, Mrs. G. G. Masinga said: “This is the first time ever that Manguzi Hospital is complimented in the presence of the community”. She encouraged the community to lodge complaints where necessary because they assist the Hospital to improve the service, and also to compliment the Hospital because this encourages the staff to do more.

Mr Nkwanyana quoted a scripture from the book of Psalms chapter 86 verse 11-13, Where its reads “Teach me your way O LORD, and I will walk in your truth, give me an undivided heart, that I may fear your name. I will praise you, O LORD my God, with all my heart, I will glorify your name forever. For great is your love towards me, you have delivered me from the depths of the grave”
