EMBARGO: FOR IMMEDIATE RELEASE

The MEC for Health in Kwa-Zulu Natal, Ms Peggy Nkonyeni, invites you to the celebration of Khomanani Community Partnership successes.

Department of Health in Kwa-Zulu Natal and Khomanani are hosting a special gala dinner to recognise and honour Khomanani Community Partnership (KCP) members working at the grass-roots level.

A total of 130 KCP members will receive certificates to recognise the role they play in making a difference in the lives of South Africans infected and affected by HIV and AIDS.

Dealing with diverse health and social challenges and sometimes working under harsh circumstances, the KCP teams combine door-to-door visits with smaller community meetings to promote behavioural change needed for preventing and managing HIV and AIDS.

Venue: The Elangeni Hotel, 63 Snell Parade, Durban

Date: Saturday, 29 July 2006

Time: 18h30
