Light aircraft crash in Winkelspruit

Two people have sadly lost their lives during a microlight aircraft crash in the Winkelspruit area near the N2 highway nearly an hour ago.

It is believed that the pilot and a passenger were the only people on board. The crash is believed to have happened today just after 14h00.

The cause of the crash is unknown at this stage and will be the subject of an investigation by the relevant authorities.

For more details, please contact KZN Emergency Medical Services spokesman Mr Robert McKenzie, who is at the scene, along with other paramedics.
