

# Media Invite: KZN Health asks for divine intervention to quell the death of healthcare professionals in the Province

25 March 2018

Dear Media Colleague,

You are cordially invited to join KZN Health MEC Dr Sibongiseni Dhlomo and leaders of the clergy for a prayer meeting at the Addington Hospital Centenary Nurses Hall on Monday 26 March 2018, at 14h00.

The prayer meeting will be attended by leaders of different faiths, and there will be photo and interview opportunities.
