

MTHIMUDE CLINIC MAINTAIN THEIR STANDARD FOR DATA QUALITY : *Congratulations*

Xolani Mtiyane (FIO), Dr Dabibi (Acting CEO) Ms Ntobela (DC-Mthimude), Sr Mbanjwa (OM-Mthimude), Sr Nyembe (PHC Supervisor), Sr Bohlela (OM-Bhobhoyi) and Sr Kapa (OM-Thonjeni).

During monthly data validations and quarterly information meetings with PHC Clinics, FIO brought an idea to award a facility with good quality data. Mr Mtiyane managed to get a floating trophy and a certificate, Clinics OM plus FIO contributed in getting goodies. This initiative was agreed to take place on quarterly basis.

The criteria was to check accuracy, completeness and validity. Performance of indicators against targets and compliance were also taken into consideration by FIO. By compliance it means that all data management policies, SOP's, files, revised data collection tools and data dictionaries (allocated in all consulting room) are available and used.

Murchison Hospital is supporting 6 PHC clinics namely Bhobhoyi Clinic, KwaMbunde Clinic, Thembalesizwe Clinic, Izingolweni Clinic, Mthimude Clinic and Thonjeni Clinic. Mthimude Clinic managed to get position one for Q4-14/15 with 75%. In second place with 72% was Thembalesizwe and in 3rd place with 69% was Thonjeni Clinic. The awards aim to encourage Clinic staff to work together

to achieve good quality data.

The award was presented by Dr Dabibi (Acting CEO) to Sr Mbanjwa (OM Mthimude) on the 20th of May 2015 during Eziqoleni Sub-District.

Data Management unit in Murchison Hospital is working hard and close with HCW to ensure that all data submitted and captured if of good quality.

WELL DONE MTHIMUDE CLINIC !!!!!!!
