STRATEGIC OPERATIONAL PLANNING SESSION **MURCHISON SUB DISTRICT**

On the 27th of February 2025, Murchison District Hospital hosted the annual sub-district Operational Strategic Planning Session with the support of the uGu Health District office.

The activeness of session was also made up of the commissions zooming into various critical indicators that are monitored.

For achievement and meeting of targets, narratives and best practices were shared and adaptive practices for the upcoming financial year were included in the strategic operational activities with the inputs from Hospital Board.

PREGNANCY AWARENESS

Above: Sr PK Nzimande during the health education session in Maternity Ward Murchison Hospital.

Murchison District hospital commemorates and supports Pregnancy awareness week which runs from the 3rd –7th of February.

During the awareness week, health talks were provided to expecting mothers on how to communicate with the unborn baby, importance of prenatal check-ups, monitoring of foetal development and more.

The sessions are critical as they also are used to identify potential complications early and promote a healthy pregnancy.
