MINISTER LAUNCHES LINDOKUHLA CENTRE

Health MEC Mrs Peggy Nkonyeni launched Lindokuhle Centre while Hibiscus Coast Mayor Councillor Nolwazi Shusha witnessed the event

It was a joyful occasion when Murchison's Lindokuhle Centre was officially launched on the 3rd of March 2006.

Among those attending were KZN Health MEC, Mrs. Peggy Nkonyeni, Area Manager for Health services (Ugu, Thekewini and Ilembe Districts) Dr L. Mhlongo, Hibiscus Coast Mayor Councillor Nolwazi Shusha, Ugu District Municipality Mayor Councillor S. Cele and Member of National Parliament, Mrs. B. Ngcobo.

The event was held in partnership with the Ugu Health District Office. A number of other organizations were also represented such as schools, local churches, community leaders, SAPS, other hospitals in the district, clinics, other government organizations etc...

What made the event even more joyous was the fact that it also served to celebrate the num-

ber of successes that Lindokuhle Centre has enjoyed since its inception in 2004.

Not only did we launch Lindokuhle Centre on that day, but we also celebrated the partnerships that had been formed by the institution in the fight against HIV and Aids.

Learners from Ogwini High in Gamalakhe near Port Shepstone performed wonders with their moving songs which had a message about the HIV and Aids pandemic .

A candle light ceremony and prayer were also held for those infected and affected by the pandemic.

At the end of the programme the MEC and other leaders took a walk to Lindokuhle Centre to officially open it.

We would like to thank all those who made this event a success, especially the District Office for their role in the planning stages.

INSIDE STORY HEADLINE
Here is how Bird Flu could have been avoided (see picture below):

Something to think about:

Noah's Ark

Everything I know I learned from Noah's Ark:

1. Don't miss the boat.
2. Remember that we are all in the same boat.
3. Plan ahead. It wasn't raining when Noah built the Ark.
4. Stay fit; when you are 60 years old someone may ask you to do something really big.
5. Don't listen to critics; just get on with the job that needs to be done.
6. Build your future on high ground.
7. For safety's sake, travel in pairs
8. Speed isn't always an advantage. The snails were on board with the cheetahs.
9. When you are stressed float a while
10. Remember the Ark was built by amateurs and the Titanic by professionals.
11. No matter the storm, when you are with God, there's always a rainbow waiting!!!

Happy Easter Holidays to ALL STAFF!! Be Safe in whatever you do during this time of the year!!!

MURCHISON LOSSES MR MHLABA, THE SENIOR SECURITY OFFICER WHO HAS TRANSFERRED TO MOSVOLD HOSPITAL. THE INSTITUTION WILL MISS HIM FOR BEING VERY DEDICATED IN HIS WORK. HE ALSO ENCOURAGED PARTICIPATION IN SPORTS. ONE OF HIS ACHIEVEMENTS WAS SUCCESSFULLY ORGANISING A SOCCER AND NETBALL TOURNAMENT BETWEEN MURCHISON AND IALC HOSPITAL IN 2005.

BATHO PELE WORKHOPS AT MURCHISON HOSPITAL

The institution has begun with its Batho Pele Workshops for the year 2006/7.

All departments are once again asked to render their support by allowing staff to attend.

These workshops are targetted at newly appointed staff as well as 'OLD' staff members who feel they need a refresher course.

What we try and do in these workshops is to encourage staff to interpret these principles into their daily working environment.s. Remember it not an added duty on us as staff but a way to improve on what we have already been doing.

EASTER SPECIAL MESSAGE

FROM PASTOR S. NGWABE

Jesus Christ is our pass over lamb slain 2000 years ago for our transgressions.

His blood and death “places” a demand to any person who calls himself a Christian today.

It doesn't matter what each domination's philosophy or constitution outlines, His death is not for Religious or Repetitious purposes but passion for the will of God.

His death was a display picturing obedience to God, and not like Israel (old testament) whose lamb's blood was

applied on Door Posts (external or religious performance), which didn't profit them.

We serve the “Risen Lord”, Jesus in not on the cross, in the tomb or any earthly object.

You are called to serve and proclaim his Resurrection power; otherwise it's
