Sr Mpikwa TB Co-ordinator presenting at Boxer supermarket

March is a TB month ,on the 27th of March 2019 Richmond OPD staff conducted a TB Awareness at Richmond local supermarkets (SPAR&BOXER) applying Thuma Mina mission that was given by the State President . The staff at these supermarkets were educated on how TB is spread and prevented. They were also taught on how to screen for TB and were given TB screening forms to check their family members & neighbours .

They were requested to bring back those forms with them to their workplaces and the staff at OPD collected and made follow up. On all the suspects identified, and screened for TB there was no TB identified.
