National Healthcare Excellence Awards 2011

Project Description

In the quest to ensure improved community's access to medicines, RK Khan Hospital partnered with NGOs (Churches) and private pharmacies as well as local municipal clinics.

This initiative was linked to the Central Chronic Medication Dispensing Unit (CCMDU) Project

ACKNOWLEDGEMENTS

The CCMDU Project was initiated by the former HOPS, Mr. Cyril B. Shabalala and was coordinated by Mr. Peter W. Avery.

Our partners SPS/MSH have played an important role in supporting this Project. The rollout of this initiative throughout the Province can only enhance the quality of care. RK Khan hospital staff have shown that it is possible to maintain it.

Congratulations to RK Khan Hospital Pharmacy for winning this prestigious award from the National Minister of Health
