- shall be lodged in a separate sealed envelope, with the name and address of the bidder, the quotation number and closing date indicated on the envelope. The envelope shall not contain documents relating to any quotation other than that shown on the envelope. If this provision is not complied with, such
- quotations/ bids may be rejected as being invalid.

 All quotations received in sealed envelopes with the relevant quotation numbers on the envelopes are kept unopened in safe custody until the closing time of the quotation bids. Where, however, a quotation is received open, it shall be sealed. If it is received without a quotation/bid number on the envelope, it shall be opened, the quotation number ascertained, the envelope sealed and the quotation number written on the envelope.

 - 3.4 A specime box is provided for the receipt of quotations, and no quotation found in any other box or elsewhere subsequent to the closing date and time of quotation will be considered.

 3.5 No quotation/ bid sent through the post will be considered if it is received after the closing date and time stipulated in the quotation documentation, and proof of posting will not be accepted as proof of delivery.

 Quotation documents must not be included in packages containing samples. Such quotations may be rejected as being invalid.
- SPECIAL INSTRUCTIONS AND NOTICES TO BIDDERS REGARDING THE COMPLETION OF THIS 2.

1.19. In such instances, the Department reserves the right to immediately disqualify such bidders as cover-quoting is an offence that represents both corruption and acquisition fraud.

1.14. All delivery costs must be included in the quoted price for delivery at the prescribed destination.
 1.15. Only firm prices will be accepted. Such prices must remain firm for the contract period. Non-firm prices

(including rates of exchange variations) will not be considered.

1.16. In cases where different delivery points influence the pricing, a separate pricing schedule must be submitted for each delivery point.

1.17. In the event of a bidder having multiple quotes, only the cheapest according to specification will be

considered.
