BREASTFEEDING WEEK

World Breastfeeding Week is held in the first week of August every year. The theme for 2024 was “Closing the gap: Breastfeeding support for all”. This campaign is for celebrating breastfeeding mums in all their diversity, throughout their breastfeeding journey, while showcasing the ways families, societies, communities and health workers can have the back of every breastfeeding mum. Ceza hospital had a community dialogue on breastfeeding. Taxi rank was also visited to educate males about the importance of breastfeeding.
