# HEALTH NEWS FLASH

The Bruntville CHC conducted a hand washing campaign as per the health calendar on the 18th of May 2018. Our campaign was supposed to take place on the 4th of May but due to the fire within the clinic we were urged to postpone it.

The main purpose was to spread the gospel of hand washing to all clinical and non-clinical staff and outside to the community since we are a primary level health care provider.

# ACKNOWLEDGEMENT

**The IPC Committee from Bruntville Community Health Care Centre would like to extend its deepest gratitude and appreciation to the Facility management team, Component managers and supervisors for releasing their staff members to be part of the recently held hand washing campaign. All staff members, both clinical and non clinical are thanked for their full participation, this includes the Community Care Givers who are our strength and connection to the community.**

**The amazing role played by the Mpofana Local Municipality management; The Honourable Mayor Cllr X Duma; Mr Sfiso Ndlovu and the Disaster Management committee.**

**We also thank the local South African Police Services (SAPS) and the Traffic Department for their presence throughout the march while ensuring our safety .**

**The Department of Education allowed the team to visit Khulakahle Preschool to teach about hand hygiene and all aspects of hand washing, all learners and educators including the SGB participated very well.**

**The private business sector also displayed enormous support and we would like to thank KFC Management and staff, Lowlands butchery, Mammass Chicken, street vendors in town, Pick n Pay management and staff members and SPAR supermarket for allowing us to educate all their staff members especially those working in the kitchen about the importance of hand hygiene. The Meander Waters supported the team with bottled water which kept us hydrated throughout, we thank you. The District office (IPC) Mrs K.A Khumalo, for the endless support you always give us, all the provided Campaign material is appreciated. Last but not least, the BCHC IPC CHAMPIONS you did a great job from planning up to the end of the campaign.**
